STRAW, COMPOST & LANDSCAPING PRODUCTS

ABOUT OUR PRODUCTS

Country Garden Farms offers a variety of straw, straw wattles, compost, compost socks, wood chips, wood chip socks, mulch, and hydrated lime for all your gardening and landscaping needs. Whether you're building raised beds from straw wattles, amending your soil for the perfect pH and organic content, or adding mulch to complete your landscape, we offer a product for you, grown and produced in Alaska by local farmers. Contact us with questions, including product specifications and recommendations.

ORDERS, LOCATIONS & DELIVERY: PREORDERS WELCOME!

Find current hours and directions to our locations at countrygardenfarms.com. Delivery service can be arranged anywhere in Alaska. We personally deliver from the Mat-Su Valley to South Anchorage, and outside Southcentral, we'll work with your freight company to ensure timely and safe delivery of your products. Just call for a delivery quote.
